Alex.
Lucas Willard, reporter from WAMC, is set to interview you today at 10:15. You will need to call him directly when you are ready to talk (**Personal Phone / Ex. 6**). He will call you back immediately from the station's recording line to conduct the interview. I already gave him your cell (**Personal Phone / Ex. 6**). He will likely broadcast the interview at noon today. Lucas covered the GE/Housatonic story for several years when he worked out of the Berkshires and does a good job.

Jim
